

# ROAD RIOT 4WD

**The ultimate  
off-road racing  
experience —  
from Atari  
Games!**

► For one or two players. Two players can drive separately or link together for head-to-head competition.

► Stunning digitized graphics of real-life images, life-like skidding, bouncing and crashing; the steering wheel vibrates realistically.

► When a player gets shot, the "rump thump" feature lets him feel the impact in his seat.

Shoot other cars to slow them down. When you get hit, you'll feel a "rump thump."

Smooth turns in the asphalt walls of caves and over hilly dry.

# Beats all other 4x4s standing still.

Adding to its long and distinguished line of best-selling racing games, Atari Games proudly presents *Road Riot 4x4*.

For one or two players, this exciting off-road racing game comes in an eye-catching cabinet complete with roll bars. Its side-by-side, two-monitor configuration encourages two-player linked competition. A special "rump thump" feature lets a player feel the impact in his seat when he gets shot by the other player's stunt gun.

The superb video graphics are digitized images of real-life objects. You get incredibly realistic cars, backgrounds, people and obstacles.

The vehicles can skid, rollover, jump, crash and burn. The steering wheel even vibrates realistically.

There's a beginner's track, plus 11 selectable courses that range from the desert sands of Saudi Arabia to the frozen tundra of Antarctica.

Standing perfectly still, *Road Riot 4x4* is the hottest, fastest 4x4 around!
